3) For orders. The practice of deputing a Sub Asstt. Surgeon for office work like this appears in itself to be quite irregular. It is presumed that, when the re-organisation of the Senior Surgeon's office is sanctioned, there will no longer be any necessity to depute professional men for office work like this. DCS 5/4/20.

To

Bangalore.

Sir,

I have the honor to state that it has been usual to take away a Sub Assistant Surgeon from the medical institution to which he might have been attached and to post him temporarily (for a period not exceeding six months) to the Senior Surgeon's office to help in the compilation of the Annual Returns (Dispensary statistics.) The medical subordinate so posted will be deprived of the local allowance he would be getting when in charge of medical duties in a dispensary or hospital like the Victoria Hospital, Minto Ophthalmic Hospital, from which, usually, one would be drafted. As this entails a great hardship on the Sub Assistant Surgeon, especially in these hard days, and naturally ~~acts~~ has a discouraging ~~give~~ influence, I request sanction to a local allowance of Rs. 15 per mensem being given to the Sub Assistant Surgeon for a ~~xxxx~~ period of three months, the charge being debited to the contingencies of my office.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Sir,

With reference to your letter No. G. 23617-Med. 907-19-2, dated 14th April 1920, I have the honor to inform you that if local allowance had been given in previous years (and it could not have been given without the sanction of Government) there would have been no necessity for the present application for sanction.

I beg to add that the posting of medical subordinates engaged in professional work in institutions to this dry work of compilation of returns and involving loss of the local or charge allowance which they were drawing while working in those institutions cannot but be felt as a grievance and take away from their enthusiasm. The responsibility and accuracy required in the preparation of these statements involving scientific interest are not less important than the responsibility of a dispensary charge. I therefore request that very early sanction may kindly be accorded to the grant of a local allowance of Rs. 15 for a period not exceeding three months, to the Sub Assistant Surgeon posted to this office annually for the compilation of the annual returns.

I have the honor to be,
Sir,
